CHAPTER IX – PUBLIC WORKS AND PROJECTS

Explanation

There are presented below those portions of Chapter 66, 03-04 Wisconsin Statutes, relating to the pre-qualification of bidders.

“66.0901 (2) *BIDDERS PROOF OF RESPONSIBILITY*. A municipality intending to enter into a public contract may, before delivering any form for bid proposals, plans, and specifications to any person, except materialmen, suppliers, and others not intending to submit a direct bid, require the person to submit a full and complete statement sworn to before an officer authorized by law to administer oaths. The statement shall consist of information relating to financial ability, equipment, experience in the work prescribed in the public contract, and other matters that the municipality requires for the protection and welfare of the public in the performance of a public contract. The statement shall be in writing on a standard form of a questionnaire that is adopted and furnished by the municipality. The statement shall be filed in the manner and place designated by the municipality. The statement shall not be received less than 5 days prior to the time set for the opening of bids. The contents of the statement shall be confidential and may not be disclosed except upon the written order of the person furnishing the statement, for necessary use by the public body in qualifying the person, or in cases of actions against, or by, the person or municipality. The governing body of the municipality or the committee, board, or employee charged with, or delegated by the governing body with, the duty of receiving bids and awarding contracts shall properly evaluate the statement and shall find the maker of the statement either qualified or unqualified. This subsection does not apply to a 1st class city.

(3) *PROOF OF RESPONSIBILITY, CONDITION PRECEDENT*. No bid shall be received from any person who has not submitted the sworn statement as provided in the sub. (2), provided that any prospective bidder who has once qualified to the satisfaction of the municipality, committee, board, or employee, and who wishes to become a bidder upon subsequent public contracts under the same jurisdiction, need not separately qualify on each public contract unless required to do so by the said municipality, committee, board, or employee.”
