To move a: _____
(description and dimensions of item to be moved)

Date moving the item: _____

Hours moving the item: _____

Exact City Route to be taken: _____

The above-described item shall be moved on equipment having all pneumatic tires. It is further understood that the above named licensee shall be entirely responsible for any damage done to: City streets, trees or other property, personal property of any individual, or injury to any person.

Irrespective of any contractual agreement between the licensee and the owner of the item being moved, it shall be the responsibility of the licensee to arrange with, and pay for, the City and/or utility companies' actual cost of temporarily removing any street lights, traffic control signals, electric lines, etc., and replacement of same in order to accommodate transporting the property.

This permit shall be in force and effective only over the above-specified route during the time and date specified, unless sooner revoked by the Department of Public Works or the Police Department of the City of Sheboygan.

Dated: _____

DEPARTMENT OF PUBLIC WORKS,

City of Sheboygan, Wisconsin

In agreement of the above,

(Signature of licensee or applicant)

NOTICE: The Police Department must be notified by calling 459-3333 when ready to emerge into City streets.

THE OPERATOR MOVING THE ITEM MUST HAVE THIS PERMIT IN POSSESSION.
